MESSAGE FROM THE PRINCIPAL'S OFFICE

I hope this message finds all of our school community keeping well and COVID safe. We still have quite a few unclaimed boxes of RAT kits in the office. If you have not collected yours, please make arrangements as soon as possible to come and collect your allocation.

Unfortunately, we are unable to send them home with the students. Due to Health Department rules, they can only go home with an adult. Also, another reminder to keep children home if they are unwell, it may not be COVID, but as we enter the Winter months and flu season, it is important that we don't spread germs to each other and try to stay healthy.

This Thursday we see our first Community fundraiser for the year, where for a gold coin donation, students and teachers are invited to come dressed in their "favourite sports team colours" and also support Mrs O'Brien in her fundraising for MSWA. On the 19 June, Mrs O'Brien will be participating in the Step Up for MSWA where she will be climbing to the top of Central Park in the city. This involves, 1,103 steps, 53 flights and a total of 1,600 metres. I'm exhausted just thinking about all those steps! Thank you for supporting this fund raiser with your gold coin donation. We hope to see a sea of colours at school on Thursday.

If you have not returned your Reporting to Parent's meeting sheet yet, please do so as soon as possible so you don't miss out on a time to meet with the teachers. The meetings are very important to discuss your child's progress in Semester One. Reports will also be distributed at the meeting for your discussion. Parents who don't attend a meeting will receive their child's report on the last day of term 2.

A reminder that this coming Friday 3 June, the school will be closed for student's as it is a pre-planned Professional Development Day for all the school staff. Room 11 will also be hosting the Assembly on Thursday afternoon at 2pm, please note the change of day for this assembly. Monday is a public holiday for WA Day and the school will be closed. I hope you all enjoy the extra family time over the long weekend.

I will commence my leave on Thursday 9 June until the end of Term 2, with Mr Christie returning on Wednesday 8 June. Ms Barton, Ms Herbert and Mr Abraham will remain as deputies during my absence. I'd like to take this opportunity to thank the school community, staff and students for their support during my time as Principal. I wish you all a very enjoyable remainder of term and look forward to seeing everyone again in Term Three.

SWIMMING LESSONS PP - YEAR 2

A reminder that swimming lessons for Pre Primary to Year 2 start Tuesday next week. If you have not returned your child's form or money please do so by Thursday 2 June.

Dear Parents, Guardians and Carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- Year of schooling
- Category of disability: physical, cognitive, sensory or social/emotional
- Level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- Formally recognise the supports and adjustments provided to students with disability in schools
- Consider how they can strengthen the support of students with disability in schools
- Develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process.

The school will provide data to the Australian Government in such a way that no individual student will be able to be identified - the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the Australian Government's Privacy Policy (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the NCCD Portal (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.
