In the capable hands of Mrs W, Mrs A, Mr B, Mrs King and Ms O'Brien an excited group of students travelled by bus into the city. The students attended the Top Secret exhibition to solve a crime and learn about spying and espionage! We were incredibly impressed with their team work skills in solving the crime. The students were then treated to a science show full of explosions and interesting science facts. Finally, a trip to the Planetarium to learn about space and beyond. A great day was had by all and the teachers were proud of the year 6 students who represented our school in such a positive way. We look forward to next term's adventure!
